To: All TROPHYLITE Race Teams

Hello Racers!

We are getting excited about the Glen Helen Baja Cup Challenge! It is coming up quickly. We are looking forward to seeing all of you there!

Attached with this memo is a copy of the Baja Cup Fact Sheet from Glen Helen. Please read it for dates and times. Registration is completed through Glen Helen. However, TROPHYLITE tech inspection will be done separate from the Glen Helen tech. Our tech times will be Saturday from 3pm to 7pm and Sunday from 8am to 12pm. Please be prepared for a thorough tech inspection. Anyone that can come on Saturday please do so we are not slammed on Sunday before the first race. If you want you can call and schedule in some time so you don't have to wait and we can try to reserve times to our best ability.

For this first tech inspection under the new management, we ask that all drivers and co-drivers/riders be with their trucks at tech. This will allow us to get all necessary paperwork completed and up to date. To assist in speeding this process, if you have not already mailed in your membership fees and waiver forms please try to do so ASAP to save time for everyone at tech.

TROPHYLITE will have our trailer on site with spare parts, should you have a need. We encourage you to order any parts you know you need now so that we can maintain a good supply at the race.

The TROPHYLITES will race two heats. The first race is at 1pm on Sunday and will last for 1 hour. The second race will be at 5pm on Sunday and will also last 1 hour.

If you have any other questions or concerns please contact our office. We look forward to seeing you all at the race!

Sincerely,

THE TROPHYLITE TEAM

# The 6<sup>th</sup> Annual Glen Helen Baja Cup Challenge Race Series

## Event Fact Sheet: Sunday, June 28<sup>th</sup> – Round #2

Round 2 of the 6<sup>th</sup> annual Baja Cup Challenge Series is approaching quickly! Traditionally held once a year in December for the past 5 years, the Baja Cup Challenge now has multiple visits to the famed Glen Helen Raceway in San Bernardino, CA. This race has provided some of the most exciting and thrilling racing on dirt, while receiving praise from race drivers regarding the track layout. The Glen Helen Baja Cup Challenge has been host to many race classes and race drivers, from beginners to the Elite Professionals. Round 2 will also be a points-race for the Trophylite Truck Series.
